Dear Mr. Fagin

It has come to our attention that you are advertising City Hall (Calgary Municipal Building Complex) as the location for the World Wide Marihuana Day March.

Current policy and Bylaw 28M91 does not permit this type of activity to be held at the Calgary Municipal Building Complex. As official/unofficial organizer of this event, be advised that your group does not have permission to gather at the Calgary Municipal Building.

Laurie Daniluk  
Administration Services Division  
City Clerk's Office
